QELENSEN Á LEN Secondary School

Reflections and Forward Thinking

Congratulations to our Gr 8s - 12s on a successful **Week 1**.

- Students worked hard to focus on meeting their class timings and transitions while connecting with each other on and off the ice.
- Gr 8s and 9s were reminded about the use of appropriate language in shared community spaces; and
- Respecting the equipment on the mini-golf beside the school.

Heading into **Week 2** we will ramp up into Tutorials starting Tue 9 Sep.

Gr 12s: Graduation Plan Review

Individual check-ins with Gr 12 students to review their Graduation and Post Secondary Transition Plans begin this week.
